

## **Oregon Central Coast Forest Collaborative Declaration of Commitment 2024**

By signing on to the Declaration of commitment, I am agreeing to support and work towards the mission of the Oregon Central Coast Forest Collaborative (OCCFC) which states:

The Oregon Central Coast Forest Collaborative is a diverse group of stakeholders and partners who work together with the Forest Service and other agencies around shared values of ecological health, economic opportunities and community well-being. The OCCFC works to improve the development, implementation, and monitoring of forest and watershed management projects that align with the values of the group. This Collaborative provides a space for open discussion and communication amongst stakeholders, partners, and agencies, while providing a platform for education and shared learning.

I have read and understand the updated Operations Manual for the OCCFC and agree to adhere to the parameters set forth in it. I agree to be mindful of the impacts that my public and private statements may have on the efforts of the Collaborative. Furthermore, I agree to work with other members of the Collaborative in a positive manner and strive to advance the mission of the OCCFC. I recognize that if I disregard the group's governing document I can be removed from this group.

Each organization or individual may choose to designate a proxy that can vote for them when the main member is not able to attend a meeting.

Members will be asked to re-sign the Declaration of Commitment at the first meeting of each year.
